

Military (SLIDES) Aviation Convention 2026

Military Aircraft Slides (Dutch) Convention @ The Netherlands
MASDCNL

Dear aviation colleague,

For photographing military aircraft, we have all entered the digital age. However, there are still many photographers who (also) photograph military aircraft in the conventional way, using slide film.

These aviation enthusiasts collect/buy/exchange/sell slides with like-minded people around the world. For many years, the well-known Aviation Hobby Convention in Enschede, the Netherlands, has been held for this target group. In 2026, this convention will be held on May 1st and 2nd, 2026.

We cordially invite you to visit MASDCNL!

Are you no longer actively involved in the aviation hobby? Then this convention is worth a visit! It is possible to offer your slide collection, or part of it, to active collectors. You can rent one or more tables for this purpose. Renting one (1) table costs only €10.00 Euro.

Of course, collecting/trading/selling other aviation items is also possible on this day: photos, books, magazines, patches, aviation DVDs, and other military aviation-related memorabilia.

The aviation fair is Friday, May 1st (6:00 PM - 11:00 PM) & Saturday, May 2nd (9:00 AM - 5:00 PM)
Location: Sportcafé de Pathmoshal, Veilingstraat 20, 7545 LZ, ENSCHEDE, The Netherlands
